Stupid for Your Love

I'm smarter than your average Jonathan or Joe
I could fill a hundred suitcases with everything I know
But I am stupid for your love

Aurora borealis makes perfect sense to me,
It's light particles and magnets
I'm smart enough to see
But I am stupid for your love

I still remember 30 numbers after 3.14?
Don't ask me why

And with a Rubix cube I'll make a fool of
Anyone who tries to beat my time
But I am stupid for your love
I am stupid for your love

I love to read the classics
They're not too long for me,
I read 'em in one sitting
Like I did with War and Peace
But I am stupid for your love

And I got a lot of street smarts
From years of looking out,
I've seen the biggest cities
And I know what they're about

But I am stupid for your love

I still remember 30 numbers after 3.14?
Don't ask me why

And with a Rubix cube I'll make a fool of
Anyone who tries to beat my time

But I am stupid for your love
I am stupid for your love [4x]
