(Benson/Falkner)

(Yeah)

I've always been this way
Never known any other way to feel
Got the right of way
And all of the others must yield
And I'm naked
And I'm in school
I can't make it
To the door

(Yeah)

Try to understand
That an oyster can only make a pearl
From a grain of sand
But from what I don't know makes a pearl
But I'm trying
Not to laugh
It's undying
When we break (When we break)
Apart (Apart)
And you take (And you take)
Back your heart (Back your heart)
And it aches
In the dark
But it makes
A tiny spark

I've always been this way
Never known any other way to feel
Got the right of way
And all of the others must yield
And I'm naked
And I'm in school
I can't make it
Through the door
And I'm lying
In the grass
I was trying

Oh, not to laugh
I was drowning
In the past
