Well I don't know what I'm looking for  
But I know that I just wanna look some more  
And I won't be satisfied  
'Till there's nothing left that I haven't tried  
For some people it's an easy choice  
But for me there's a devil and an angel's voice  
Well I don't know what I am looking for  
But I know that I just wanna look some more

Well I don't know what I'm living for  
But I know that I just wanna live some more  
And you hear it from strangers  
And you hear it from friends  
That love never dies, love never ends  
Now I don't wanna argue, no I don't wanna fight  
'Cause you're always wrong and I'm always right  
Well I don't know what I am living for  
But I know that I just wanna live some more

I used to be involved, and I felt like a king  
Now I've lost it all and I don't feel a thing  
I may never grow old, I may never give in  
And I'll blame this world that I live in  
I visit hell on a daily basis  
I see the sadness in all your faces  
I've got friends who have married  
And their lives seem complete  
Here I am still stumbling down a darkened street

And I act like a child and I'm insecure  
And I'm filled with doubt and I'm immature  
Sometimes it creeps up on me and before I know it  
I'm lost at sea  
But no matter how far I row  
I always find my way back home  
But I don't know what I've been waiting for  
But I know that I don't wanna wait anymore

Looking for...  
What I'm looking for...  
Looking for...  
What I'm looking for...

Looking for...  
What I'm looking for...  
Looking for...  
What I'm looking for...  
Looking for...  
What I'm looking for...
