Got my wheels in motion  
Rev'd up high  
Got my city engines  
Out for a ride while I'm alive

I might die tomorrow  
I'm gonna live today

Got my loco motion  
Rattlin' bones  
Sweating gin and smoking  
Pockets full of rolling stoned

I might die tomorrow  
I'm gonna live today

Yesterdays over  
And we all  
Die like we live today

Got my molly peculiar  
She's a little miss strange  
She's my witch and with my broomstick  
Gonna ride all night while alive

I might die tomorrow  
I'm gonna live today

Yesterdays over  
And we all  
Die like we live today

And we all  
And we all  
Die like we live today.
