The Seething Light Inhales
Breath Of Mourned Delight

AwaitingÂ...The Storm
Blood, Fire, Chaos, And War

From The Black Abyss

DamnationÂ...Of The Pure
Fires Consume Eternity

The Quest For Higher Pain
Endless Trail To An Extinct Plain
Obsessed With The Murdering Hand
This Numbness Covers My Mind

BlindÂ...Slowly
Breaks My Laws

AlmightyÂ...Gods Of War
Besiege The Holy Throne

LightÂ...Betrays Me
This Is My Alone

Drifting On The Winds
Beneath Midnight Skies
Coldness Covers My Latent Eyes
Snake Skin Forms To Ignite Sin

Smearing The Hatred Of Disgust
Upon The Faces Of The Meek
Their Lips Burn With The Taste Of Plagued Virtues
The Hands Of Destiny Are Non-Immortal
Deaths Foretold Of Past
Condemned To Repeat This Disease

Loss Of Divinity

Divine Loss Of Sight

Black As The Cold Silence

I've Felt The Wars Of The Empires

Breaking This Seal Inside For The Son Of All Wars
For The Reign Of A Forgotten Faith
Conversion Of The Flame To Fall To Sea
Filling The Oceans With All, Now I Will Become The
Seas

I Contest This Prayer To My Hatred
All Man's Lies Fall Into Sea To Exist

Reburn This Seal For A Closing Of Might
The Divine Bound To Writhe Into Eternity
This Is My Blame For The Loss Of The Sky
To Declare War Over These Lips Of Spite
