Slice Open The Whores Neck  
Invoke The Blood  
Bathe In The Warm Red  
Invert Her Virgin Soul

Her Soul Was Once Pure  
Now She Is But A Whore  
She Is Now Possessed  
In The Grip Of Darkness

Invert The Virgin(X3)Â...Invert

She Lies Dead On The Altar  
The Incubus Licks Her Flesh

As We Start The Ritual  
In Her Virgin Blood

Her Corpse Is Now A Shell  
For The Master To Be Born  
Through The Darkness He Comes  
Crawling Forth From Hell

His Pain Is Adorned  
With Thorns From A Fallen King  
His Strength Is Covered  
With Lust Of The Fallen Few
