As Darkness Takes My Soul

Through The Sinister Thy Shall Be Born

Summon The Mistress Of Night

Hail And Praises Be

Hail... To The Ancient Goat

Pleasures In Perversity

Come To Me Dark Goddess, Enchant With Your Sin

To Feed Upon The Living Blood, Writhe In Blasphemy

For I Am Your Servant, Praise To Baphomet

As Darkness Takes My Soul

Hail To The Ancient Goat

Birtherd To A Thousand Young

Hail And Praises Be
