Bastard Christ Second comign of sacrifice Release my
chained hands No more virus of your worship Thrust of
nails Into these wrists Sworn to death Reign of blood
Seize the prophecy of the final sacrifice Great unclean
soul, Offered in this final murder Hell will raise as the
dead king returns from the afterlife Bring forth the
death of God as the black lord comes to rise
Temptation for the fault of man Ruin in the offering of
self Valley of the exalted Rise before Satan, The new
king Bow down to manifest this holy demise of the final
Nazarene Creation Failed with the birth of man in the
image of God Religious icons crushed with the
transformation of the feverish Faceless messiah with
horns of the reborn goat Rise great lord of the dark Kill
Christ in final rite Behold...Lucifer ion rite of the silver
star Call forth the legion of the flame Invoke the wrath
of Dagon Black sorcery be thy name Falling into the
deep sleep of Azrael My blood screams and burns
through (my skin) Dead Christ Devil's sacrifice Reign of
murder Return Unclean Raising the undivine
