A public service announcement followed me home  
The other day, I paid it never mind, go away  
Shits so thick you can stir it with a stick-free Teflon  
whitewashed Presidency, we're sick of being jerked  
around, wear that on your sleeve

Broadcast me a joyful noise unto the times, Lord  
Count your blessings  
We're sick of being jerked around  
We all fall down

Have you ever seen the televised St. Vitus  
subcommittee prize  
Investigation dance? Those ants in pants glances  
Well, look behind the eyes, it's a hallowed hollow  
anesthetized  
Save my own ass, screw these guys, smoke and mirror  
lock down

Broadcast me a joyful noise unto the times, Lord  
Count your blessings  
The papers wouldn't lie  
I sigh, not one more

It's been a bad day, please don't take a picture  
It's been a bad day, please  
It's been a bad day, please don't take a picture  
It's been a bad day, please

We're dug in deep the price is steep  
The auctioneer is such a creep  
The lights went out, the oil ran dry  
We blamed it on the other guy

Sure, all men are created equal  
Here's the church, here's the steeple  
Please stay tuned, we cut to sequel  
Ashes, ashes, we all fall down

Broadcast me a joyful noise unto the times, Lord  
Count your blessings  
Ignore the lower fear

Oh, this means war

It's been a bad day, please don't take a picture  
It's been a bad day, please  
It's been a bad day, please don't take a picture  
It's been a bad day, please

I saw that I'd to keep returning

Broadcast me a joyful noise unto the times, Lord  
Count your blessings  
We're sick of being jerked around  
We all fall down

It's been a bad day, please don't take a picture  
It's been a bad day, please  
It's been a bad day, please don't take a picture  
It's been a bad day, please

It's been a bad day, please don't take a picture  
It's been a bad day, please  
It's been a bad day, please don't take a picture  
It's been a bad day, please
