so what, so what, so what, so what became of you why  
did you disappear?  
i heard i heard i heard you came looking for me you  
had something to share

all i say how can i resist, i won't look back  
there's nothing to stop me  
all i say how can i resist,  
don't look back you'll never find me  
never find me  
Now!

hello, hello, hello, hello it's me again  
i'm sorry to bother you  
you know, you know, you know more than ever i need  
you to make a treat  
so what, so what, so what, so what became of you why  
did you disappear?  
i need, i need, i need you to show me how it's  
supposed to feel

all i say how can i resist, i won't look back  
there's nothing to stop me  
all i say how can i resist,  
don't look back you'll never find me

all i say how can i resist, i won't look back  
there's nothing to stop me  
all i say how can i resist,  
don't look back you'll never find me  
never find me

all i say how can i resist, i won't look back  
there's nothing to stop me  
all i say how can i resist,  
don't look back you'll never find me

all i say how can i resist, i won't look back  
there's nothing to stop me  
all i say how can i resist,  
don't look back you'll never find me

never find me, never find me  
never find me
