And her body bleeds to much,
Shes learning, shes yearning for something.

and her body is out of touch.
That something that only new loves can bring.
She needs to look into new eyes.
Fall into them and this pupil will dive into her desires
go into them, cause it feels too...

That girl she was has gone,
and this campus turns her on.
He's dull, old and she wants shiny and clean.
Two fresh things, her boyfriends just wont be.

She needs to look into new eyes.
and go into them, cause it feels too... it feels too...
Desktop breaking, filled with guilt.
Fall into them and this pupil will dive into her desires

Desktop breaking,he'd freak out.
She sees the desktop breaking, cant control herself.
(x2)
She sees the desktop breaking, cant control herself.
She sees the desktop breaking...

and her body is out of touch.
And her body bleeds too much,
Desktop breaking, filled with guilt.

She sees the desktop breaking, cant control herself.
Desktop breaking,he'd freak out.
She sees the desktop breaking, cant control herself.
(x3)
