It was the worst time
the first time it ever went sour, things fell apart
choosing was to let down
learn then to never go back
i been once only once

never reconnect to me
it's better done better see (woooo)
sinking so i'll get out alive
it could be the death of me (woooo)

theres no reason to hold
on and never fall down
cause I never get dizzy
in my be bitter whatever
it's nothing i can wash my hands up any how

never reconnect to me
it's better done better see (woooo)
sinking so i'll get out alive
it could be the death of me (woooo)

it's so useless, so useless
the burn will be there
i am not pulling myself
i won't regret it, forget it
i'll never go back, i'll never go back no

i've been holding, held down to long
it won't hold anymore
i've been holding, held down to long
it's nothing that i can mistake

never reconnect to me
it's better done better see (woooo)
sinking so i'll get out alive
it could be the death of me (woooo)

It was the worst time
the first time it ever went sour
i been once only once

never reconnect to me
it's better done better see (woooo)
sinking so i'll get out alive
it could be the death of me (woooo) (x2)
