I never understood  
In what it was you wanted from me  
'Cause you always took everything  
And changed it to what you wanted it to be

Maybe in time, I know  
You'll find what you've been looking for  
'Cause you always tell me  
That I'd be the one and I would [Incomprehensible]

But don't bother me, I just want to be free  
See, don't follow me just leave me alone

Leave me alone  
Leave me alone  
Leave me alone  
Leave me alone

I never [Incomprehensible]  
In what it was you wanted from me  
'Cause you always took everything  
And changed it to what you wanted it to be

Maybe in time, I know  
You'll find what you've always been looking for  
'Cause you always tell me  
That I'd be the one and I would [Incomprehensible]

But don't bother me I just want to be free  
See, don't follow me just leave me, fuck, alone

Leave me alone  
Leave me alone  
Leave me alone  
Leave me alone

Leave me alone  
Leave me alone  
Leave me alone
