"No Regrets"

all the things that i've regretted
i wanna pursue
even though you're not a go-getter
and all the place i was headed with you
you could show me,
you could do better you'll see,
take a chance on me

in me,
but i know, i know
this feeling that i have inside of me
my belly's burning and it's turning
don't you see
i'm upset and yet no regrets

take a chance on me
if there ever was a time when i could go back and make
it all fine with you,
i wanna pursue
all the blodd and tears i've sweated all the work, we
can'y forget it you'll see,

but i know, i know
this feeling that i have inside of me

i'm upset and yet no regrets
in me,
my belly's burning and it's turning

don't you see
all the things that i've regretted and all the places i was
headed with you
i wanna pursue
no more standing around i've said it
take a chance on me
get off your ass and we'll go get it you'll see

but i know, i know
this feeling that i have inside of me
in me,
my belly's burning and it's turning
don't you see

i'm upset and yet no regrets
