Oh, Ellen!
Oh, Ellen!
Oh, Ellen!, wut can I do?
There is nothing aside from you
Oh, Ellen!, wut can I do?
There is nothing aside from you
I hate to say I'm starting again
To try
To get you off of my mind
I must admit
It's so hard to do
Oh, Ellen
With no you by my side
I have the chance
To land on my own two feet and
Keep my chin off the ground
But now you're gone
I beat myself up about it
It sux without you around
It sux when you're not around
CHORUS
Oh, Ellen!
Wut can i do?
There is nothing aside from you
Oh, Ellen!
What can i lose?
There's nothing aside from you
Oh!
Oh!
Oh!
Oh!
Oh!
Oooh!
I trace your steps
But I get lost
I bet
Its what you had in mind
I have to say
That all is not
Oh, Ellen!
Not since you left me behind
I waste away

Its miserable here
Its stupid
To even try to pretend
Cause when you slip my mind I start to panic
I'm scared to lose you again
I'm scared I'll lose you again
CHORUS
