If I paint a picture of the days gone by  
I could tell a story  
Minus the truth  
It's the only way I  
Couldn't walk a meter in your shoes  
You'll see  
When you see  
They're soaked  
I left them out in the rain  
And they're heavy like weights

I could help you choose a name  
First thing that I saw today  
Make the best of new conditions  
It'll never be the same

I thought about you in my bed last night  
You were a thousand years old  
Had a million boyfriends  
I have a rubber stopper to prevent the words from  
happening  
Like a troubled spot within and press with all my  
mightiness

Bend it back all the way  
This one it'll never break  
Make the best of old ideas  
It'll never be the same  
Pent up in me  
Tied up in my room  
I found the perfect remedy  
Spit you out  
Or just chew it  
Pent up in you  
Tied up in your room  
You got the best cut of deal  
You lay down  
With the newest  
Yea  
(Repeat)
