Like i knew
that you would come to me
and we'd run away with all our dreams
dont you think
hat i'd prepare a bit
to try and make it all complete
to run away
its not the kind of thing
that i do in a normal day
but its so cool
that were together
and were smiling, drinking soda

i want to jump in a lake
sun shining down on a beach in the summer
(2x)
i want to jump in a lake
sun shining down on a beach in the summer
(4x)

ohhhh-ahhhh-uhhhh-ahh
