The anger in your eyes.
The onces who loved but abused you.
They're holding you down.
(Holding you down |hard to understand, not written
down|)
You aimed so high and crashed so low.
I see it in your eyes.
(I see it in your eyes.)

I have seen it all before.
Your dream falling to the floor
As you thought you'd build the perfect life in harmony.
Cannot even feel what's inside yourself.
Screaming "fuck the world!" as a cry for help.
No one listens and no one really cares.

The anger in your eyes.
The onces who loved but abused you.
They're holding you down.
(Holding you down |hard to understand, not written
down|)
You aimed so high and crashed so low.
I see it in your eyes.
(I see it in your eyes.)

As you drown in bitterness you're still trying to forget
Wasted dreams turned into nothing but an empty mind.
Cannot even feel what's inside yourself.

Screaming "fuck the world!" as a cry for help.
No one listens and no one really care.

The anger in your eyes.

The onces who loved but abused you.
They're holding you down.
(Holding you down |hard to understand, not written
down|)
You aimed so high and crashed so low.
I see it in your eyes.
(I see it in your eyes.)

[pause]

The anger in your eyes.
The onces who loved but abused you.
They're holding you down.
(Holding you down |hard to understand, not written
down|)
You aimed so high and crashed so low.
I see it in your eyes.
(I see it in your eyes.)

The anger in your eyes.
The onces who loved but abused you.
They're holding you down.
(Holding you down |hard to understand, not written
down|)
You aimed so high and crashed so low.
I see it in your eyes.

I see it in your eyes.
