Ace of aces
Emerging from the sun
Spraying bullets
Go down under his guns

Red Baron
Eagle in disguise
Red Baron
Death across the sky

Wing commander
Diving from above
Master of dogfights
Unmatched in victories

Living legend
You cannot die
War propaganda
We need you alive

Red Baron
Eagle in disguise
Red Baron
Death across the sky

Red Baron
Eagle in disguise
Red Baron
Death across the sky

Living legend
You cannot die
War propaganda
We need you alive

Red Baron
Eagle in disguise
Red Baron
Death across the sky

Ace of aces

Emerging from the sun
Spraying bullets
He went down under the guns
