Why is it like that?  
My words are unheard  
And I still be sick  
I loved you and now miss you  
All my tears are now falling for my lost words  
I hope you're happy where you are  
Rest in peace  
Regret  
The day of reckoning is now at hand  
Well miss you  
Until the end of time  
End of time  
Things neglected now seem so far away  
(I hope you can forgive me for what I had not said)  
Goodbye  
Are you happy for this pain I feel?  
Will I remember?  
Yes I will  
Regret  
I will see you one day  
So will you rest in peace?  
I will not forget  
The joy you brought, your spirit  
Is now endless  
No more pain
