Been hiding out and laying low  
It's nothing new to me  
Well you can always find a place to go  
If you can keep your sanity  
They break down the doors and they rape my rights but  
They won't touch me  
They scream and yell and fight all night  
You can't tell me  
I lose my head, I close my eyes  
They won't touch me  
'Cause I got something I been building up inside  
For so fucking long

They're out ta get me  
They won't catch me  
I'm fucking innocent  
They won't break me

Sometimes it's easy to forget where you're going  
Sometimes it's harder to leave  
And everytime you think you know just what you're  
doing  
That's when your troubles exceed  
They push me in a corner just to get me to fight  
They won't touch me  
They preach and yell and fight all night  
You can't tell me  
I lose my head, I close my eyes  
They won't touch me  
'Cause I got something I been building up inside  
I'm already gone

They're out ta get me  
They won't catch me  
I'm fucking innocent  
They won't break me

Some people got a chip on their shoulder  
An some would say it was me  
I didn't buy that fifth of whisky you gave me  
So I'd be quick to disagree

They're out ta get me  
They won't catch me  
I'm fucking innocent  
They won't break me  
They're out ta get me  
They won't catch me  
I'm fucking innocent  
So you can suck me

Take that one to heart  
Come on
