Driving the masses  
In narrow passages  
Gassing them all into sleep

Waiting in line  
Till a shock ends your life  
Who is the beast in here?

No daylight  
Only on the day you die  
Life imprisonment  
Slaughtering the faithful

No daylight  
Only on the day you die  
Life imprisonment  
Slaughtering the faithful

First a meaningless life  
Then a meaningless death  
A life of stress  
Comes to a useless end

Driving the masses  
In narrow passages  
Gassing them all into sleep

Waiting in line  
Till a shock ends your life  
Who is the beast in here?

No daylight  
Only on the day you die  
Life imprisonment  
Slaughtering the faithful

No daylight  
Only on the day you die  
Life imprisonment  
Slaughtering the faithful

First a meaningless life

Then a meaningless death  
A life of stress  
Comes to a useless end

Out of the womb  
Now meet your doom  
Day light, you'll never see  
Only on the day you die

Out of the womb  
Now meet your doom  
Day light, you'll never see  
Only on the day you die
