The guilty go free  
While innocence is tortured  
Beyond the shield of justice lies  
The whip of shame  
Truth not for everyone  
Get up and grab yourself a gun  
The time for anarchy will reign  
To be the one behind the darkest lies  
As you stand before the altar you will see the gavel  
Of justice bring you chained to slaughter  
Festering ashes, left in dismay  
Rotting corpses, never to breathe again  
Sadistic judge one sided untrue ready to stand and  
devour you  
You must stay true, to what you do  
The guilty go free  
While the innocence is tortured  
Beyond the shield of justice lies  
The whip, the whip, the whip, of shame  
Never to know your name  
Never, never to see the light  
Captured souls lost all rights  
You cannot believe in the right  
All justice has lost sight  
The time is now for you to see  
How your soul belongs to me  
You cannot believe in the right  
All justice has lost the sight  
Nowhere to run  
Nowhere to be  
Madman are now free  
You!  
You cannot believe in the right  
All justice has lost sight  
Is now for you to see  
Your life now belongs to me
