He's coming  
He's coming  
Nosferatu's coming  
He's coming for your life, almighty evil  
Nosferatu ruler of the night  
Once bit you are his slave, forever more  
Damned to the grave  
You will see how you become one of them  
Right in front of you  
Nothing left that you can say, and that's because  
All you must do is die  
Nosferatu comes for you  
Rules your life and all you do  
Now, the time, has come, you are the one  
You, have now, been chosen, as his son  
If, you stand, before, the master's throne  
You, will see, your life, you're all alone  
Nosferatu comes for you  
Rules your life and all you do  
Nothing more that you can say  
Nosferatu comes your way  
Now, the time, has come, you are the one  
You, have now, been chosen, as his son  
If, you stand, before, the master's throne  
You, will see, your life, you're all alone  
Nosferatu  
Ruler of the night  
Can't you see, him standing there, besides the walls?  
Burning life, taking what, he needs to feed  
Time has come, you are the one, you have no choice  
Took your life, and your soul, you lost your voice  
Nosferatu  
Ruler of the night  
Nosferatu  
Hes taking my own life  
The ruler walks though the darkness  
Through the fields of the dead  
He's standing beside you  
Controlling your head  
Nosferatu  
The ruler of the night  
Nosferatu

Hes taking my own life  
He's back from the grave  
You will be his slave  
Oh my God what can you do?  
Here comes Nosferatu  
Nosferatu  
Nosferatu  
Now, there's nothing you can do  
The rash is on it's way  
Hes chosen it for you  
The time is on your side  
You will die here tonight  
There's nothing left to say  
There asking now, are they?  
Nosferatu comes for you
