Been hiding out and laying low
It's nothing new to me
Well you can always find a place to go
If you can keep your sanity
They break down the doors and they rape my rights but
They won't touch me
They scream and yell and fight all night
You can't tell me
I lose my head, I close my eyes
They won't touch me
'Cause I got something I been building up inside
For so fucking long
They're out ta get me
They won't catch me
I'm fucking innocent
They won't break me
Sometimes it's easy to forget where you're going
Sometimes it's harder to leave
And everytime you think you know just what you're
doing
That's when your troubles exceed
They push me in a corner just to get me to fight
They won't touch me
They preach and yell and fight all night
You can't tell me
I lose my head, I close my eyes
They won't touch me
'Cause I got something I been building up inside
I'm already gone
They're out ta get me
They won't catch me
I'm fucking innocent
They won't break me
Some people got a chip on their shoulder
An some would say it was me
I didn't buy that fifth of whisky you gave me
So I'd be quick to disagree
They're out ta get me
They won't catch me
I'm fucking innocent
They won't break me
They're out ta get me

They won't catch me
I'm fucking innocent
So you can suck me
Take that one to heart
Come on
