As the sunsets and life reverts to dust  
Night falls over my eyes  
A sigh of relief for the end of this day  
As the sunsets and life reverts to dust  
Night falls over my eyes  
A sigh of relief for the end of this day  
My hopes and dreams  
My hopes and dreams  
Is this what is has come to be? (To be)

Sky is grey (Sky is grey)  
Washed out world (Washed out world)  
Deep in this place (Deep in this place)  
I won?t go  
Sky is grey (Sky is grey)  
Washed out world (Washed out world)  
Deep in this place (Deep in this place)  
I won?t go

Smell of rotting flesh, a look of disbelief  
Wooden cinders scorched earth  
Mother forgive us what have we done?  
My hopes and dreams  
My hopes and dreams  
Is this what is has come to be? (To be)

Sky is grey (Sky is grey)  
Washed out world (Washed out world)  
Deep in this place (Deep in this place)  
I won?t go  
Sky is grey (Sky is grey)  
Washed out world (Washed out world)  
Deep in this place (Deep in this place)  
I won?t go

What does the future hold?  
What does the future hold?  
What does the future hold?  
What does the future hold?

What does the future hold?

What?Does?The?Future?Hold?  
What does the future hold?  
What?Does?The?Future?Hold?
