I'm 2,000 miles away
And you hear me say
Everything is fine
You know better
I'm 2,000 miles away
And you hear me say
Everything is fine
You know better
What I said before
And what I'll say again
You and I are friends
At least that's the way I feel it is
I'm not a choir boy
But I'm doing fine
I'm a lot like you
But I'm replaceable
I'm not a choir boy
Fear the radio will be the same as me someday
But there's no way
I had to write again
Part of me is gone
I knew I had to get it back
But i couldn't find it
And now I'm lost somewhere
How am I suppoed to heal
Why can't you say
You know how it feels
I'm not a choir boy
But I'm doing fine
I'm a lot like you
But I'm replaceable
I'm not a choir boy
Fear the radio will be the same as me someday
But there's no way
Now I'm back where I was
But only for a few days
I promise you'll look back for now
God's coming down to see me
In a few days
Here we go again
I'm not a choir boy

But I'm doing fine
I'm a lot like you
But I'm replaceable
I'm not a choir boy
Fear the radio will be the same as me someday
But there's no way
I'm not a choir boy
Fear the radio will be the same as me someday
There's no way
There's no way
There's no way
There's no way
