I made reference to a subtle affair than I got one
What a simple mistake
The way you coax me into believing
Then you took away the odds
You let me down... you know I go with you*
When I had nothing and no one
You made me think that I could have you someday
That day would never come
No way
No way
Why did I trust again
Unh uhn
Believe me
This is the last time
No way
No way
Why did I trust again
Oh no
Repeating
This is the last time for me
You must understand
You've got to admit you set a trap for me
Pincess
Maybe I'm just a little paranoid
I seem a little odd
Now the days go by I can still hear
Just like I fail in every class
I realize I'll never pass here with you
You let me fall behind
No way
No way
Why did I trust again
Unh uhn
Believe me
This is the last time
No way
No way
Why did I trust again
Oh no
Repeating
This is the last time for me

You must understand
No way
No way
Why did I trust again
Unh uhn
Believe me
This is the last time
No way
No way
Why did I trust again
Oh no
Repeating
This is the last time for me
You must understand
You must understand
You must understand
