"Happy?"

Everyday's been the same
Since I've been alone
Everyday I'm waiting for you
But you're never coming home

And I hope that you're happy
At least one of us is
Maybe someday you'll see
I need you

Everyday I swear that I see you
Everywhere I go
I know my mind plays tricks on me
And it's something that you know

And I hope that you're happy
At least one of us is
Maybe someday you'll see
I need you to save me

And I hope that you're happy
At least one of us is
Maybe someday you'll see
I need you to save me
From myself
