I can see
See the signs
I've been waiting here for you
But nothing's getting through

I am gone
Up in the clouds
Praying I can turn
Turn myself around

A year ago
I gave it a year
I hoped it wouldn't happen
Now it's here

It took so long
I can't carry on
I know the reason that you left me
You had nothing more to give me

No more love

I can see
See your eyes
I can feel your heavy stare
I run my fingers through my hair

I am high
As one could be
And I hope I don't come down
I hate when I come down

A month ago
I knew you lied
Took my life into your hands
You just don't understand

How it feels
To be free
I know the reason that you left me
You had nothing more to give me

No more love
No more

(x4)
No more love
No more
