Breathe
Turning blue and I can't breathe
In the water underneath
And we're way too deep
To save ourselves

Now that you don't know me
And I've been away too long
Have you also been growing?
Seen how we were wrong?

Deep
My misery is now complete

I've been falling under feet
And I'm way too deep
To save myself

Now that you don't know me
And I've been away too long
Have you also been growing?
Seen how we were wrong?

Please
I'm losing consciousness, it seems
Like everyone's on top of me
And these suffocating dreams
Are real to me
