The lights go out and then I'm fallin again
I'm alone in the middle when I needed a friend
As I lose when I'm winning 'cause it still never ends
All alone

You're not the problem, but you're where it begins
And I'm not the reason that you left in the end
But I'm still coming over if it happens again
All alone

Goin' at it again
I'm a mistake
Melodramatic kid
Let me know if you care
Make it somewhat important
Whisper warnings
Feel like it's tragic
And I'm automatic, and I'm automatic again

Lying on the ceiling looking down at the floor
'Cause things just aren't looking up anymore
Got a bottle in my hand but I forgot what its for
All alone

Stop what you're doing and pretend you can care
Stop what I'm doing and pretend that I care
Give me one more chance to pretend that you're here
All alone

Goin' at it again
I'm a mistake
Melodramatic kid
Let me know if you care
Make it somewhat important
Whisper warnings
Feel like it's tragic
And I'm automatic, and I'm automatic again

I don't care if it's all my fault
It doesn't mean I can't change
I don't care if it's all my fault
It doesn't mean I can't complain

Goin' at it again
I'm a mistake
Melodramatic kid
Let me know if you care
Make it somewhat important
Whisper warnings again

Goin' at it again
I'm a mistake
Feel like it's tragic
And I'm automatic, and I'm automatic again

Oh, again
Oh, again
