The waitings over  
Nothing to show for  
The Heart that you tore

No time to let this breathe  
My only chance to stop and breathe  
So here's your chance to

Bury me in your empty promise  
Why breathe when it's not honest  
Everything's the same as it was before  
Every time were (I'm) saved we're a little bit more  
Buried

The faith is broken  
Words left unspoken  
Hands on my throat and  
Feels like I'm choking

Breathe  
My only chance to let this

Breathe  
So here's you chance to bury

Bury me in your empty promise  
Why breathe when it's not honest  
Everything's the same as it was before  
Every time were (I'm) saved we're a little bit more  
Buried

You won't let up and  
I will end up  
Buried six feet underground

Bury me in your empty promise  
Why breathe when it's not honest  
Everything's the same as it was before  
We just end up buried  
Bury Me  
Bury Me  
Bury Me
