Somehow everyone thinks Iâ€™m ok
You think theyâ€™d know better by now
Iâ€™m still insane
I thought that things would get better with age
But now Iâ€™m just too old to change
I lost my way

And everybody says theyâ€™re sorry
Does that make it OK?

Bleed your eyes out till your dried out
If nothing else would do you know itâ€™s hard to
Say your sorry when there is nothing further from the
truth
And nothing left to lose.

This time everything turned out the same
Should of learned from my mistakes
Now its too late
I guess I should just turn things around
But who the fuck believe me know
I am still the same
And everybody says theyâ€™re sorry
Does that make it OK?

Bleed your eyes out till you are dried out
If nothing else would do you know itâ€™s hard to
Say your sorry when there is nothing further from the
truth
And nothing left to loose.
Left to loose
To loose

And everybody knows Iâ€™m stalling
Everybody sees Iâ€™m falling
Everybody knows I am stalling
Does that make it OK?

Bleed your eyes out till you are dried out
If nothing else would do you know itâ€™s hard to
Say your sorry when there is nothing further from the
truth

And nothing left to loose
