Running like hell through the trees,  
No one pressuring me  
Younger days

Getting out after school  
Playing a bunch of fools  
Younger days

I see the sunset I see the stars  
I see the future oh my god like a train approaching  
It's coming for me

Slipping my Jordans on  
Playing some one on one  
Younger days

Telling my sister I hate her  
Knowing I'd never trade her  
Younger days

I see the sunset I see the stars  
I see the future oh my god like a train approaching  
It's coming for me

Oh these younger days  
I'll take to my grave  
For carving me out of a stone  
Oh these younger days  
I'll never replace  
Oh if only I'd known

Hearing my fathers joys  
Cracking my mothers voice  
Younger voice

Filling my pockets with paper  
Smoking em deep in the woods  
Younger days

I see the sunset I see the stars  
I see the future oh my god like a train approaching  
It's coming for me

Oh these younger days  
I'll take to my grave  
For carving me out of a stone  
Oh these younger days  
I'll never replace  
Oh if only I'd known

I see the sunset I see the stars  
I see the future  
Ohhh my god
