Deep in my dreams  
I am your eternal son  
Lucifer you were  
Born in my blood

You married the dark  
And gave me eternal life  
But now you are dead  
Slumbering I pray  
Lost in God's domain

Between the gates  
In the ashes of a maze  
I hold my breath  
In my wait of death  
There's nothing left

You married the dark  
And gave me eternal life  
But now you are dead  
Slumbering I pray  
Lost in God's domain

My dark cry

You married the dark  
And gave me eternal life  
But now you are dead  
Slumbering I pray  
Lost in God's domain
