Once upon a time men stood as one  
Feeling themselves so exalted in power  
They tried to defy the heaven by  
Building this exceeding tower  
Haughtiness of stone constructed in sin  
Founded on the zenith of Hell  
Where God beheld his evil creation  
The downfall now became inevitable

[Chorus:]  
Confusion Of Tongues  
Confusion Of Tongues

All communication suddenly broke down  
And alienated lips were moving independent  
Ears totally deaf for possible receptors  
All due to discord God has sent  
So they went into the immense wide world  
Far away from the place of calamity  
Because there they'd only find guilt  
And the memory of God's penalty

[Chorus]

[Lead: Drake]

Confusion Confusion Confusion Confusion  
Confusion Confusion Confusion Of Tongues

Confusion Confusion Confusion Confusion  
Confusion Confusion Confusion Of Tongues

After millennia they meet again  
Contacts of violence the purest genocide  
They denied the union of their ancestors  
Blinded by their own racial pride  
See them now the children of God  
Washing away their brotherhood of blood  
As followers of almighty Lord Satan  
All mortal was smashed and downthrodden in mud

[Chorus]
