Standing on our castle we defended it proud  
Looking down below us a bloody mourning crowd  
Smoke comes from the fields finally it's quiet  
Just seconds ago the shot from last riot

[Chorus:]  
Symbol Of Triumph  
We did win the war  
Symbol Of Triumph  
We're the conquerors

Now we count our losses and we are sad  
Cause many of our brothers found on the field their  
death  
Our only comfort is that they died for a cause  
Their highest sacrifice and our biggest loss

[Chorus]

Swords now will rest peace is finally here  
Our enemies forced back wounded and with fear  
We stand to rebuild and well the walls strong  
Prepared for more war we know we can't go wrong

[Chorus]

[Lead: Arydon]  
[Lead: Drake]

There is just one seat let us make you a knight  
We're inviting you to join us in this fight  
We will make our kingdom undefeatable  
When we stick together we will rule the world

[Chorus]
