You're so full of it your eyes are brown

And I won't let you drag me down again

I've seen the both sides of your face

In a different time and a different place that's all

Oh I, I won't let you

Drag me down again I'd rather die

No I, I won't let you

Drag me down again I'd rather die

You have no morals to defend

To think that I once called you friend

You've dulled your senses and gone insane

Can't tell lemonade from champagne

Oh I, I won't let you

Drag me down again I'd rather die

No I, I won't let you

Drag me down again I'd rather die

You're the kiss of death, you've dug your grave

You've cancelled out the love you gave

And yesterday I dreamt of you

Had the strangest feeling of deja vu

Oh I, I won't let you

Drag me down again I'd rather die

No I, I won't let you

Drag me down again I'd rather die

Oh I, I won't let you

Drag me down again I'd rather die

No I, I won't let you

Drag me down again I'd rather die
