Float like a butterfly sting like a bee

Thus spoke the prophet Muhammad Ali

Free Mike Tyson and Ice T

Free every mother and the B.B.C.

One for sorrow two for joy

Three for a girl and four for a boy

Free the police and the C.I.A.

Reggie Kray and the I.R.A.

Free yourself

Free yourself

Free your conscience free your soul

Free your mind and your ass will follow

Free the heroes and villains too

Chinaman caucasian blackman Jew

Free Mary Jo Anna and L.S.D.

Free every mother plus you and me

Free Mao Tse Tung and J.F.K.

Jesus Christ and the U.S.A.

I know about the way you feel

'Cause I can feel your pain

I know about the way you feel

It's happening to me again
Free yourself
Free yourself
Float like a butterfly sting like a bee
Thus spoke the prophet Muhammad Ali
Free Mike Tyson and Ice T
Free every mother and the B.B.C.
I said one for sorrow two for joy
Three for a girl and four for a boy
Free the police and the C.I.A.
Jesus Christ and the U.S.A.
I know about the way you feel
'Cause I can feel your pain
I know about the way you feel
It's happening to me again
Free yourself
Free yourself
Free yourself
Free yourself
