Raised by the hand of God
Raised by Cain
Archangel Gabriel
Don't wanna know my name

I'm in too far, I'm in too deep
How low is low?
I'm in too far, I'm in too deep
How low is low?

There's an explosion going off in my head
You never ever listened to a word I said

I'm in too far, I'm in too deep
How low is low?
I'm in too far, I'm in too deep
How low is low?

Jesus, You blessed my soul
So won't You help me please?
Oh Mother of mercy
Is this the end for me? No, no, no

I'm in too far, I'm in too deep
How low is low?
I'm in too far, I'm in too deep
How low is low?

I'm in too far, I'm in too deep
I'm in too far, I'm in too deep
I'm in too far, I'm in too deep
I'm in too far, I'm in too deep
