Look in your eyes what do I see

The black sheep of the family

And like King Midas in reverse

I've seen you fall from bad to worse

I won't waste my time on someone like you

No more

I can't live my life the way that you do

No more

Well your life is made up of days like these

They end in mediocrity

And I understand so perfectly

'Cause you're the king of misery

I won't waste my time on someone like you

No more

I can't live my life the way that you do

No more

You're the last word in hypocrisy

So let's agree to disagree

And you sing the blues so expertly

'Cause you're the king of misery

I won't waste my time on someone like you

No more

I can't live my life the way that you do

No more

You're the king of misery

You're the king of misery

You're the king of misery
