Terry said to Judy
You're such a waste of time
Sitting watching T.V.
'Cause life has passed us by

Gin's a mother's ruin
Dulls the pain away
Helps the conversation
We're best friends today

We're not growing stronger
We ain't getting younger
We're not going nowhere
'Cause life has passed us by
Life has passed us by
Life has passed us by

We've all got good intentions
It doesn't pay the rent
The faded jaded memories of a life we've spent

We're not growing stronger
We ain't getting younger
We're not going nowhere
'Cause life has passed us by
'Cause life has passed us by
'Cause life has passed us by

You can't do tomorrow what should be done today
Dreams and expectations we let them slip away

We're not growing stronger
We ain't getting younger
We're not going nowhere
'Cause life has passed us by
Life has passed us by
Life has passed us by

Life has passed us by
Life has passed us by
Life has passed us by

Life has passed us by
Life has passed us by
