You can't see what I can see 'cause I can see it all
Can't you see what's going on or is your vision blurred
Do you feel the way I feel about the way I feel inside
Can't you see what's going on 'cause I can see the light

Don't bring me down don't you leave me this way
Don't bring me down

That's the way I feel
That's the way I feel
That's the way I feel
That's the way I feel

Please tell me what you want from me
Tell me what you need
'Cause I can't give you what you want
Until you talk to me

Don't bring me down don't you leave me this way
Don't bring me down

That's the way I feel
That's the way I feel
That's the way I feel
That's the way I feel

Don't bring me down don't you leave me this way
Don't bring me down

Do you feel the way I feel about the way I feel inside
Can't you see what's going on 'cause I can see the light

That's the way I feel
That's the way I feel
That's the way I feel
That's the way I feel

That's the way I feel
That's the way I feel
That's the way I feel
That's the way I feel
