[--Chorus:]

Someone somewhere scorned  
Never will forget  
Someone somewhere scorned  
Never can forget

Burning, No desire  
No friends, Inside my mind

I'll never change, Yet still you burn  
I'll never change, And I feel scorned

[--Chorus:]

Burning, In our mind  
Inside my mind, Burns desire

[--Repeat 2nd verse:]

Scorned

[--Chorus:]

Burning, No desire  
Your mind, Inside my mind

I'll never change, And I feel scorned (?)  
I'll never change, I must be burned
