[originally by Black Sabbath]

Accept your fate that you're second rate Sit there and watch it all burn down Turn your head to the TV channel But someone else's hand's on the control panel

What you gonna be, what you gonna see Zero the Hero What you gonna be, who you gonna be (see?) Zero the Hero

Your life is a six lane highway to nowhere The ball is in your hands and your heads full of nothing

Nothing's/Life is easy for you I don't even have to talk to you
