Apostles of lies armoured with god- their will is law
Engendering a chaos by the power they hold- in hell to
go
Overlords, gods right hand now brings the world
towards demise
â€¦enslaver of weak towards a majestic downfall

Devoted in blindness
All their men and women are fooled
Their souls are raped
The greatest woe for the greatest in sin

Leaders of faith holy leaders of depravity- the
godmade filth
Affecting the world with their malevolence, greed and
stupidity
Deluding the people to believe in a fraud, with sword in
hand
To worship high all masses blind without remorse they
make his will

Devoted in blindness
All their men and women are fooled
Their souls are raped
The greatest woe for the greatest in sin

Summoning the twillight of the gods

Genocide in grace
Armageddon rises
The fires of a holy war
It's flames cast shadows
Genocide in grace
Armageddon rises
Justified by lords of old
A holy holocaust

Wipe out their gods
And we all will be free!
