In praise of sin I spread my wings  
Follow me and you will see  
A world of dark delights  
Forbidden fruits for you and me  
In temple Flesh I bear the mark  
Love and joy, make your choice  
Shame for one, honours another  
Young and old - now sing with me

I am evil  
I am chaos  
I who live in sin  
I am evil  
I am chaos  
I be blessed who lives in sin

In praise of sin, I am divine  
Flames of hell burns higher  
I must admit, I sometimes bend  
For the demon in me  
In my paradise,  
Are we not all but sinners?  
Without regret for the self  
Yes! Now sing with me!

I am evil  
I am chaos  
I who live in sin  
I am evil  
I am chaos  
I be blessed who lives in sin

I plead guilty, hang me high  
I indulge in sin  
In the name of dirt  
I raise the horns for liberty

By my pride I rise infernal  
I take of what I wish  
No shame for my desires  
I choose this life of sin

In my paradise,  
Are we not all but sinners?  
Without regret for the self  
Yes! Now sing with me!
