There's a sacred sign- a name above us all
A name that hear our prayers
There's a final path through which death is won
And to the Covenant sworn

Step inside His great empire
I kiss the Goat to breed my will
And He'll cleanse my world

From beyond the holy bliss on immortal wings
The dark age comes again
Loyal to the Covenant on the highest throne
On the left hand path

Step inside His great empire
I kiss the Goat to breed my will
And He'll cleanse my world forever!

You might not see it but you're closing in
One day you'll speak that name
Above the mountains you'll see Him coming
His grace inside our flesh

You will see, follow me- forget all things
The sign of the Baphomet- the seal of magick is broken
Dormant in the dark spheres of our minds- angry gods
emerge again
Spirits of the netherworld- forbidden but unashamed

I AM OF HIM- Lord of Lords
I AM OF HIM- King of Kings
There's a sacred sign- a name above us all
A name that hear our prayers
There's a final path through which death is won
And to the Covenant sworn

Step inside His great empire
I kiss the Goat to breed my will
And He'll cleanse my world forever!

You might not see it but you're closing in
One day you'll speak that name

Above the mountains you'll see Him coming
His grace inside our flesh

You will see, follow me!!
