I thought you'd told me the truth
But when you opened your mouth out came a family of
lies
The book we already read
Could never help us from your conglomeration of lies

You probably believe what you told me
A never ending cycle of greed
Pass it down to each generation
Another flock of sheep to mislead

Scratch me harder
Till I bleed
God the Father
Spreads his seed

(Liars)
Liars
(Liars)
Liars
You sell it all to me
(Liars)
Liars
(Liars)
Liars
I'm what you'll never be

And it feels so good when you've
Sold another plot in the sky
Like your teacher before you
Really know how to sell your life

Scratch me harder
Till I bleed
God the Father
Spreads his seed

(Liars)
Liars
(Liars)
Liars
You sell it all to me

(Liars)
Liars
(Liars)
Liars
I'm what you'll never be

Give me something
Something real
Everything I see is nothing I can feel
Give me something
Something real
Everything I see is nothing I can feel

Is nothing I can feel
(Nothing, nothing)
(Nothing, nothing)
(Nothing, nothing)

(Liars)
Liars
(Liars)
Liars
You sell it all to me
(Liars)
Liars
(Liars)
Liars
I'm what you'll never be
